The Partnership is proud to announce that we are hosting our fourth annual **"Stronger Families, Safer Kids"** 5K fundraiser. Because April is National Child Abuse Prevention and Sexual Assault Awareness Month, we wanted to kick off the month by having the 5K on Saturday, April 21, 2018. **PLEASE REGISTER NOW!**

The Partnership and our members recognize the impact that child abuse and neglect has on families and communities. Child abuse and neglect can have enduring physical, intellectual, and psychological repercussions into adolescence and adulthood. All types of child abuse and neglect have long lasting effects throughout life, damaging a child's sense of self, ability to have healthy relationships, and ability to function at home, at work, and at school. In Ventura County, Children and Family Services receives over 10,000 calls for suspected child abuse and neglect each year. As of July 2016, there were 1,209 children in foster care.

On behalf of The Partnership, I would like to ask for your financial backing in promoting awareness of child abuse, neglect and prevention efforts. Your support will help to raise awareness in Ventura County about how we can all work together to strengthen families and protect our children.

To be a sponsor of the Partnership, please consider the following:

\$100+ donation-Resource table at the 5K and 25% off race entries

\$250+ donation-Resource table at the 5K; one race entry

\$500+ donation-Resource table at the 5K; 2 race entries; name on T-Shirt, Partnership membership or 2 extra race entries

We are also looking for in-kind donations for door prizes.

Thank you, in advance, for your consideration and dedication to the residents of Ventura County.

Most sincerely,

Lori Haugh, LCSW
